Be Prepared!

For all of your classes you need to come prepared to work. Take a look at the classes listed below. What supplies would you need for each of the classes? Write the names of three items in Spanish they you may need to bring to each of these classes. Try to use as many different words as you can.

Para la clases de español:

_____________________________________________________________

Para la clase de historia:

_____________________________________________________________

Para la clase de matemáticas:

_____________________________________________________________

Para la clases de música:

_____________________________________________________________

Para la clase de arte:

_____________________________________________________________

Para la clase de ingles:
